

PHSC 1011 Report # 2

You are to do a research report on one of the following controversial topics:

- ☹ Global warming
- ☹ Dark matter/ Modified Newtonian Dynamics (MOND)
- ☹ Evolution/ Creationism
- ☹ Human Cloning
- ☹ Stem Cells Research
- ☹ Food Irradiation

This is a research report so you are expected to do some research. The report will be **Three full typed** pages long (not including the title and your name) with standard margins, double spaced with a 12 pt times New Roman font.

The paper must have the following form:

- ☹ Title Page (with your name)
- ☹ Page one will be background/historic information about the topic.
- ☹ Page two will include why is this topic controversial
- ☹ Page three will be your opinion (based on your research).
- ☹ Reference Page

You will need to list your sources of information which must include at a minimum two non-internet sources (i.e. books or magazines).

Any plagiarism will result in a zero. If two people turn in the same report (i.e. if a majority of the writing is the same) both people will get zeros.

The report is due 4/25/2012.
